

Billy and The Jets

**The Ultimate Billy Joel
& Elton John Experience**

Bio:

Billy and The Jets is an electrifying tribute to two of rock's greatest icons, Billy Joel and Elton John, delivering timeless hits and unforgettable performances with a level of authenticity that exceeds the expectations of even the most devoted fans. With impeccable attention to detail, the band masterfully recreates the signature piano-driven sound and powerful vocals of both artists, capturing the energy, passion, and magic of their legendary careers.

The vision for this production was conceived by Paul Hand and TJ Jones. Paul's exceptional vocal ability, skilled piano playing, and artistic vision, combined with TJ's expertise in production, audio, and visual design for immersive performances, created a solid foundation for the show. TJ also brings his talent on bass, rounding out the duo's creative leadership. To complete the lineup, they enlisted Val Allenwood on guitar, Mike Francoeur on drums, and Will Smith on saxophone—each bringing exceptional musicianship and stage presence to the performance.

From Piano Man to Rocket Man, every song is performed with precision, flair, and authenticity, transporting audiences back to the golden era of rock. Billy and The Jets is a must-see experience for fans of Billy Joel and Elton John, offering a thrilling musical journey that celebrates the very best of these legendary artists.
